

**Kansas Maternal & Child Health Council (KMCHC)
Consumer/Family Member Application**

Effective Date: September 2021

Thank you for your interest in the Kansas Maternal & Child Health Council!

The mission of Kansas Maternal and Child Health (MCH) is to improve the health and well-being of Kansas mothers, infants, children, and youth, including children and youth with special health care needs (SHCN), and their families. We envision a state where all are healthy and thriving.

The Kansas Maternal and Child Health Council (KMCHC) was formed as a state-level group to advise and monitor progress addressing specific MCH population needs, as aligned with the [Title V MCH State Action Plan](#). The Council encourages the exchange of information about these populations, priorities and objectives, and helps the agency focus efforts and recommend collaborative initiatives. For additional information regarding the KMCHC, please refer to the guiding documents: Code of Ethics and Professional Conduct, Bylaws, and Reimbursement Policy available on the website at www.kansasmch.org.
