Are you a individual or family member of someone who accesses or receives services in your community?

We want to hear about your experiences and partner with you to make our state the best place to be live and be healthy!

The Family Advisory Council is Growing!

What is the Family Advisory Council? A group of consumers and family members sharing their experiences and ideas around maternal and child health services across Kansas. Input from the Council informs state and local programs for women, children, and families.

Who is on the Family Advisory Council? Anyone passionate about advancing and improving public health services for women, children, and families in Kansas. Specifically, those interested in making a difference in services available for the following populations:

- Woman/Maternal**
- Early Childhood (birth to 5)
- Child (ages 6-11)**
- Adolescents (12+)
- Children with Special Health Care Needs (all ages)

****We are currently recruiting for the Child and Women/Maternal work groups.****

**The next FAC meeting is April 17, 2021
9:30 a.m. - 2 p.m.**

This meeting will be held virtually.
