**You can engage without
partnership, you can't
partner without
engagement.**

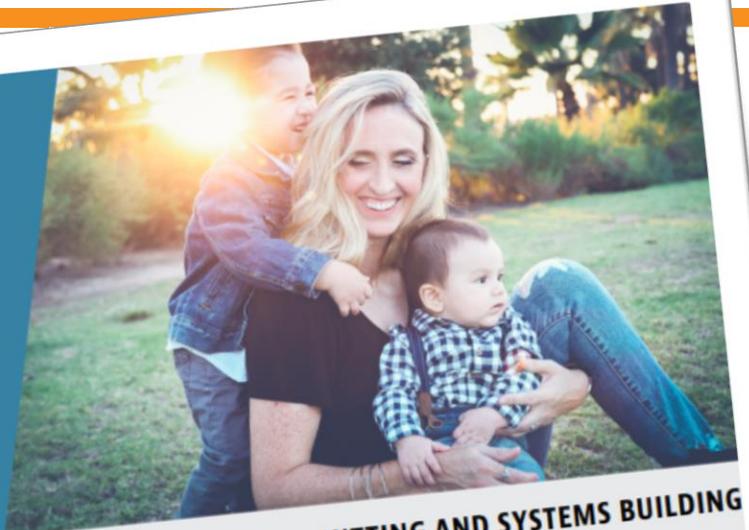

KS MCH Vision

FAMILY/CONSUMER PARTNERSHIP

PRIORITY 7

Strengths-based supports and services are available to promote healthy families and relationships.

CROSS-CUTTING AND SYSTEMS BUILDING

OBJECTIVE 7.1

Increase the proportion of MCH-led activities with a defined program plan for family and consumer partnership (FCP) to 75% by 2025.

OBJECTIVE 7.2

Increase the number of individuals receiving peer supports through Title V-sponsored programs by 5% annually through 2025.

OBJECTIVE 7.3

Increase the number of families and consumers engaging as leadership partners with the MCH workforce through the FCP Program by 5% annually through 2025.

OBJECTIVE 7.4

Increase the number of MCH-affiliated programs providing holistic care coordination through cross-system collaboration by three through 2025.

We are guided by our PURPOSE...

...to advise and partner with Title V to improve the health of Kansas children and families and assure the needs of families and consumers are central to programming, initiatives, and special projects.

...which is driven by our MISSION...

...to improve the health and well-being of Kansas mothers, infants, children, and youth, including children and youth with special health care needs, and their families.

...so that we can aspire to reach our VISION...

...a state where individuals and families are (1) engaged in program planning, evaluation, service delivery, and policy development; (2) partners in advocacy; and (3) leaders in their communities.

Family Advisory Council

- Overview

- Informing KS state services since 2009
- Primary sounding board to meet family needs

- Statewide Impact

- Family-driven and family-focused products: brochures, white papers, fact sheets
- Program Development
- More family leaders: members serve on other councils impacting state and local policies/programs
