Maternal Health Initiatives

Coming Spring-Summer 2021

Fourth Trimester Initiative

Birth Facilities engaged in the Kansas Perinatal Quality Collaborative (KPQC) are enrolling in the **Fourth Trimester Initiative** now! Be watching for more information to come on how Local Public Health MCH Programs can be involved. For more information, please contact Kasey Sorell at Kasey.E.Sorell@ks.gov.

Maternal Warning Signs Initiative

Be on the lookout for a “Save-the-Date” announcement coming soon for the **Maternal Warning Signs Initiative** Kick-Off Webinar! Local MCH Service Providers will play a crucial role in providing patient education and engaging community partners in this important work. For more information, please contact Stephanie Wolf at Stephanie.Wolf@ks.gov.

Free training and technical assistance, as well as a variety of resources, will be provided!

In Partnership with:
Kansas Perinatal
Community Collaboratives
